

December 2015

Dear Pastor, Church, and Praying Friends,

Merry Christmas!

As the year approaches a close, we first want to wish you a very merry Christmas and happy new year! Thanks be to each of you for your prayers, encouragement, and support. You have made our first nine months of deputation a real joy.

Deputation

We have two meetings left this year and are preparing for a fruitful 2016. Nearly every Sunday morning next year is scheduled; the Sunday evening and midweek services are beginning to fill up as well. It is evident that God's people have been lifting us up in prayer. *Please continue to pray for a full and fruitful schedule of meetings.*

Language Learning

Though in the very beginning phase, we have started learning the Swedish language. It is our conviction and desire to minister to people in their mother tongue. *Please continue asking God to enable us to proficiently learn and speak Swedish.*

Open Doors

Sometime next year we will begin the application process of obtaining a visa in Sweden. We have heard that an approval can take up to nine months (or longer) to be granted. Though we do not anticipate any issues or rejections, we request your prayers now concerning this matter. Furthermore, and more importantly, *please pray for the people of Scandinavia.* Just like their visa application process, gaining the trust and respect of a Scandinavian will take time. It is our sincere desire to see souls saved and churches established in this Nordic land. *Pray with us that God would open doors and open hearts so that souls will be saved and churches established in a land steeped in secularism.*

May God bless you! Merry Christmas!

Don & Beverly Sixt
