

Deputation progress

Thank you for your prayers and support for us and our mission to Scandinavia. It's been a solid month of deputation for our family. We have spent some valuable time with churches in Ohio, Kentucky, Indiana, and Tennessee, all to the glory of God. What's more, since our last update, we've heard from six churches that have faithfully decided to partner with us to preach and publish the gospel in Scandinavia! This is a great encouragement

to begin the new year with new supporters willing to "hold the rope" for us. By God's grace, we are now at 30% of our needed monthly support! We are praying for God to do amazing things this year as we serve Him from church to church and state to state.

Prayer requests and praises

Please pray with us that the Lord would keep us safe and healthy as we travel from place to place. Physically, this has been the most difficult month for us as both of our sons were sick for a couple of weeks. Praise the Lord, they are both feeling *much* better now! Our 2016 schedule is very full; we are currently working on scheduling the remaining midweek service openings that we have. Pray with us that the Lord would see these meeting times scheduled with churches that are interested in partnering with us to do the Lord's work in Scandinavia. The gospel light in Scandinavia is very dim!

Steady growth

Looking back over the past year, the Lord has allowed us to experience grace and growth (not to mention a little girth as well... lol), not only as missionaries, but as a family. Our youngest son, Laban, celebrated his first birthday on February 2! What a joy both our sons have been to us; they are our gifts from God!
