REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you for praying for our family and ministry. January and February have been exciting months for us. ***In January, we learned that Beverly is pregnant again. Then, in early February, we discovered that she is expecting twins!*** Needless to say, we are super excited about this wonderful news and are looking so forward to their arrival. Our babies are due mid-September, but the doctors strongly believe they will arrive sometime in August, as twins are typically born a few weeks earlier than single baby births. ***We truly covet your prayers for us through this pregnancy, labor and delivery, and beyond. Concerning our move to Sweden, we are planning to postpone our move until after our babies are born.***

It was our intention to move later this Spring, but with much consideration and counsel, we believe it wiser to remain in the United States until afterwards. This will allow Beverly to stay with the same doctors and maternity care throughout the entire pregnancy, not to mention the support of family and friends that we know we will need with two brand new twin babies. ***Below is a recommendation from our Pastor, Dr. Max Fernandez. Having the support of our Pastor and church family is a great encouragement to us!***

Dear Pastor/Church Leader,

We are so thankful that Don and Beverly Sixt are going to Sweden. They have faithfully been on deputation for the last couple of years, and God is richly blessing their support levels. Their anticipated leave time was this Spring, but due to the great news that God has blessed them with twins, I have advised Donnie to allow Beverly to keep the same doctors and medical services here by delivering the babies before leaving for Sweden. For many of you, this advice will seem obvious in consideration of the fact that they lost their previous little baby last year. This will delay their departure into the 4th quarter of this year, or the very early part of next year. Please keep the Sixt family in your prayers and maintain a solid support for them financially during this time.

Max Fernandez, Pastor

In light of the above, ***we are going to do everything we can to begin language training this Summer. Our deputation will still end this Spring. By God's grace, we now have over 95% of our needed support, and we are hopeful to raise through our initial financial goal.*** As touching ministry, ***the Lord allowed me to take a trip to Sweden in January.*** Its purpose was to gain a greater understanding of location and pricing, as well see some old friends and meet some new friends. In essence, it was a setup trip. Little did we know that there were two blessings in Mommy's belly!

God's been so good to us in our lives, and we praise Him for it. ***Our youngest son, Laban, turned three on February 2. He is such a blessing to us and brings our family tremendous joy. We thank the Lord so much for allowing us to have Laban as our son!*** Thank you for all the prayers and support for us. We are praying for you also. May God bless you mightily.

Don and Beverly Sixt,
Landon and Laban
