

Dear Pastor, church, and friends,

First, I pray that God's abundant grace be upon each of you in Jesus Christ. Since we began raising support four months ago, the Lord has proven His mighty hand in our lives, using many of you to be a blessing to us!

As we began preparing for deputation, I asked God to give us both a *full* and *fruitful* calendar. By His grace, we have nearly all of 2015 completely scheduled and a good start on 2016! We will be in 11 missions conferences between now and Thanksgiving alone. Currently, 12% of our needed support has been committed from both churches and individuals; for this we are very grateful!

With all of the decisions recently made in our own nation, I am reminded of the situation in Scandinavia. In 1995, Sweden became the third country in the world to recognize same-sex unions. The first two nations to do so were Denmark and Norway, both of which are Scandinavian. Yet, these societies have no churches to turn to for those seeking that which is true, right and honorable. It's no wonder that a true worship of God has become nearly extinct among their people.

We are praying now that God would prepare Scandinavian hearts to both hear and receive the gospel of Jesus Christ. The Holy Spirit will use the sword of God's Word; we only have to preach it and publish it. Please pray with us now for our future efforts in Scandinavia to abound by God's grace.

For those of you that are more comfortable reading from a computer or mobile device, or if a letter ever gets misplaced or lost in the mail, all of our prayer letters are also viewable on our website at [www.viajesus.org](http://www.viajesus.org). There you can also see up-to-date pictures and news about Scandinavia and our ministry.

Thank you for your continual prayers and support for the people of Scandinavia and our desire to win them to Christ. I pray that God's grace be poured out upon each of you and your respective ministries.

May God bless each of you!
