REACHING SCANDINAVIA BY WAY OF JESUS

Continuing

The past month has kept our family on the road and in front of God's people. Sometimes as we look back and try to evaluate what's taken place and how God has recently worked, the conclusion is simply this: by His grace and faithfulness, He has allowed us to continue in our pursuit for Scandinavia and has provided our every need along the way. The compliments and encouragement that many of you have bestowed upon us are also a great blessing. Some have expressed how the Lord worked in their hearts and affected their lives in a positive way. We trust that God is doing a mighty work and granting an increase, although these things are often unbeknownst to us. If there is one thing we are learning, that is to simply rest in Him and trust His way and timing. *A man's heart deviseth his way: but the LORD directeth his steps. Proverbs 16:9*

A few more churches have partnered with us in our effort to proclaim God's Word in the Nordic world. Lord-willing more will follow in this manner as God leads and directs. Thank you for your continual prayers and support for us! Without doubt, prayer is our greatest resource and recourse. Please pray that God would revive us, fill us with His Spirit, and anoint us with a special anointing as we seek to serve Him and His people as we raise support!

Believing

You will recall that when Peter abandoned ship to meet Christ on the water, he took three steps in principle: he stepped *up* in courage, he stepped *out* of his comfort zone in the boat, and he stepped *forward* toward Christ. We are sure that, as challenging as the first two may seem, the steps that most test our faith are those taken in weary and wavy situations. We are focusing our eyes on Jesus, not watching, fretting over, or worrying about the indiscernible scenarios around us. Being with Jesus, where He wants us to be, is worth a few steps on wavy waters.

Thank you so much for support for us,
