

VIAJESUS

REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you for your faithful prayers and support for our family and ministry. Over the past several weeks, many people have sent us cards and gifts of love and encouragement. Words cannot express our gratitude and appreciation for this. It is so reassuring to know the type of people we have behind us and supporting us. **Since our last update, a few more churches have partnered with us, bringing our support level to 80%.** We praise the Lord for this and have high hopes for the second half of this year. **There are still some gaps in our schedule and we are praying that those would be filled with opportunities to share our ministry with local churches. Please pray with us regarding this matter.** Lord-willing, we will be in Sweden by Spring of 2018!

Our sons' passports have been applied for and we should be receiving those back anytime. Once we receive them, we will then begin the visa application process. This process can be timely (sometimes it takes just weeks to approve, but sometimes it takes upwards of 8-9 months). This is one reason why we are applying for them early. There is no telling how long it will take them to process our applications, but we are trusting the Lord to bring it about at His timing. In the meantime, the Fall, Winter, and early Spring months will provide ample time to finish our support raising and prepare for a Spring move. **Please pray that our course of action would be directly aligned with God's perfect will for our lives.**

Over the next several months, our family will be traveling extensively, covering a lot of miles and hours. **Please pray that our endeavors would be blessed of the Lord and that He would use us to bring edification and encouragement to the people we encounter and minister to.** We thank you for your partnership in the ministry and are lifting you up to the Lord as well.

In Christ,

Don & Beverly Sixt
Landon & Laban

DID YOU?
KNOW

In January in Stockholm the sun rises at 8:47am and sets at 2:55pm, while in July the sun rises at 3:40am and sets at 10:02pm.
