

Deputation progress

It's been a blessed number of weeks since our last update. By God's grace, we were able to participate in five different missions conferences in Ohio and Michigan, as well as present our ministry in several other churches. Five more churches have begun supporting our ministry. 36% of our needed monthly support has been committed, and we are excited to see God's hand at work in 2016. Thank you for your prayers for us as we continue to traverse the road the Lord has set before us.

Prayer requests and praises

God's people have been a tremendous help to us along our way. From the pastors, to the members, as well as other missionary families we meet, these new friends and partners in the ministry have supplied a great deal of encouragement. Pray that the Lord would use us to be a blessing to the churches we are with. Pray that souls who do not know Christ as Savior would be led to Him, and that those who do would be edified and strengthened in the faith.

Looking ahead

The Summer months consist of some more distant trips for us. We will be in Arkansas, Texas,, Illinois, and Wisconsin, as well as the states immediately surrounding Ohio. Prayers for health and safety are always appreciated. Although there is still much work to do, we praise the Lord for the progress He has allowed us to see thus far! Joe Nuxhall was a famous pitcher-turned-radio-broadcaster for the Cincinnati Reds. His signature sign-off line was "This is the old left-hander, rounding third and heading for home." On the deputation scale,

we're somewhere between first and second base. Please pray with us that we'd be "rounding third" by the end of the year!
