

November 2015

Dear Pastor, church, and praying friends,

What an exciting eight months it has been since we began raising support for Scandinavia back in early March. Since our last update, at least five more churches have chosen to financially partner with our ministry, and we are hoping and praying for not a few more by the year's turn. What's more, our schedule for 2016 is filling up very quickly. It is still our endeavor to be in Sweden by the Summer of 2017. Only by the generosity and faithful prayers of God's people will this happen. The faithful prayers for us and our ministry have been very evident this year. Thank you for interceding on our behalf!

Lära sig språket

"Learning the language." In December, we will begin building a foundation in the Swedish language via Rosetta Stone's language-learning software. The Swedish alphabet has three more letters and many different pronunciations. Enrolling in language school will be one of the first things we do upon arriving in Sweden, but we desire to have at least a general idea of basic words, sounds, and pronunciations by then. We believe it to be very important to communicate the gospel with people in their native tongue. Please pray for us as we embark upon this endeavor.

Thanksgiving is right around the corner. We have so much to thank God for; above all, we thank Him for the gift of His dear Son. It has been our privilege to partner with you both prayerfully and financially to reach the people of Scandinavia with the gospel of Jesus Christ. May you have a very happy Thanksgiving!

May God bless you!
