REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you so much for your prayers and support for us during the past two months. We were blessed to have a part in a number of missions conferences before Thanksgiving, and have since been active in presenting our ministry to churches scattered throughout central and southwest Ohio. **By God's grace, we currently have over 90% of our needed support.** Over the next several months, we will continue raising the remainder of our support as we gear up for a Spring move to Sweden.

At the end of a church service just a little while back, we were blessed to see a young lady receive Christ as her Savior. Due to the brevity of our visits, we rarely get to witness things like this. Generally speaking, any blessing or effect we've been able to leave on a church or individual comes to light only after our time is spent in any given place. To see the Holy Spirit and the word of God work in such a capacity was a real delight to us and reminded us that we never know how the Lord is moving in the lives of those around us. Certainly His word never returns void. **Please pray that the Lord continues to use us in His great harvest, both in sowing and in reaping.**

For our family, 2017 came with a wide range of experiences and emotions; but the Lord has been faithful and sustained us in the midst of it all. Without a doubt, 2018 will be a dynamic year in itself. **Please continue to pray for wisdom and discretion for us as we seek to serve the Lord with a pure and passionate heart.**

May the Lord Jesus Christ bless you with a Merry Christmas and blessed New Year,

Don and Beverly Sixt  
Landon and Laban

DID YOU?  
KNOW

Common Swedish Christmas foods include pickled herring, beet salad, fish in lye, bread dipped in ham stock, and saffron buns, among others.
