

October 2015

Dear Pastor, church, and praying friends,

Grace and peace be multiplied unto each of you through Jesus Christ!

This past month has been full of opportunities to present our mission to Scandinavia, especially in Missions Conferences. All in all, we will have participated in fourteen different conferences this Summer and Fall alone, along with many other one-day meetings. Because of this, we are hopeful to see a significant increase in support after the first of the year. What's more, our 2016 schedule is filling up nicely also. ***Please pray with us that we would indeed see a significant increase in support by the first part of next year.***

While participating in a Missions Conference in Newark, Ohio earlier this month, I was privileged to go soul-winning with a fellow-laborer named Mike, one of the church members. By God's grace we were able to lead a gentlemen to Christ! Paul was 75 years old and had never been told a clear gospel message. He believed that you had to be a good person and give money to the church in order to be saved. Mike and I were able to convince him that faith in Christ is the only way of salvation; right then and there he asked Jesus to forgive him of his sins and save his soul! This is the reason behind our entire mission, including this phase of deputation: seeing souls saved. ***Please pray that we would continue to see others come to Christ during this time.***

It has been our desire to be to the field by the Spring of 2017. Though this is not a guarantee, it is a temporary goal that we have set. ***We appreciate your prayers concerning this time frame.*** We are content with whatever schedule God allows to come to pass, but we will continue to press for this Spring departure. There are multiple advantages to moving to the far North in the Spring, many of which you can easily imagine, especially when considering the Nordic weather during the Winter.

We recently purchased a 3-year subscription to Rosetta Stone, a language-learning software. As time allows, we will begin building a foundation in the Swedish language, which will hopefully enhance our ability to learn the language quicker once we get to the field.

You are in our prayers! Bless you all for thinking of us and praying for us. ***The prayer labors of God's people are a great factor in the success of our ministry and mission.*** We look forward to writing you from Sweden!

May God richly bless each of you!
