

VIAJESUS

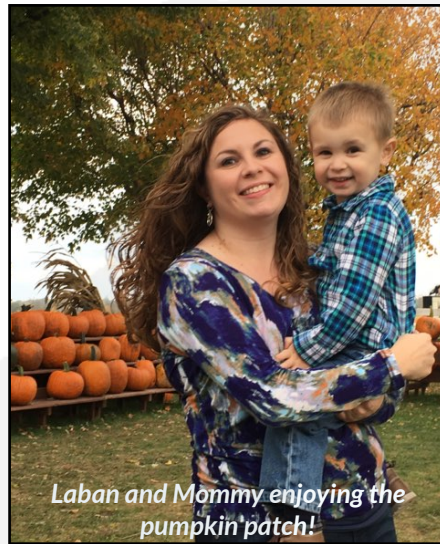

REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, & Praying Friends,

Thank you so much for your prayers and support for our family over the past two months. **Since our last update, God has increased our support level to 90% of what we need.** We realize that our time here in the United States is winding down and we are anticipating leaving for Scandinavia in the early Spring of 2018. Between now and the end of the year we will be presenting our ministry before several different churches, trusting the Lord to continue providing our every need along the way. He is all-sufficient, all the time.

Look who just turned 4!

Laban and Mommy enjoying the pumpkin patch!

Enjoying a Missions Conference with our new friends in Savannah, Georgia!

On October 22, our oldest son, Landon, turned four years old! Landon and Laban light up our world to a degree indescribable with words alone. We praise and thank God for every second we get to enjoy our sons and be their parents.

With the Thanksgiving and Christmas holidays approaching, we wish each of you a wonderful time with family and friends. As Christians, we simply cannot imagine celebrating any event outside the light of God's truth. Yet, people all over the world live in this darkness and ignorance every day. **Please pray that we, through Christ Jesus, might make an eternal difference in the hearts and lives of the people in Scandinavia.**

May the Lord Jesus Christ bless you richly!

Don & Beverly Sixt
Landon & Laban

DID **you?**
KNOW

The pacemaker, ultrasound, safety match, astronomical lens, marine propeller, refrigerator, and computer mouse are all famous items that were invented in Sweden or by Swedes who weren't living in Sweden.
