REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you for your prayers for our family and ministry. A lot has happened since we last wrote. As some of you may know, on December 1, our daughter Caelyn was admitted to the hospital for a respiratory issue that she's had since birth. A series of tests were performed that revealed a vascular ring wrapped around her trachea and esophagus. As it turned out, the ring was significantly compressing her airway. On December 11, she underwent surgery to have the ring cut. The surgery was a success and we have seen noticeable improvements in her breathing. We praise the Lord for His providence and protection over our little girl. It is only by His grace that this aberrant ring was ever discovered. Thank you so much for praying with us while she was in the hospital. ***Please continue praying for Caelyn, that she would experience a complete and healthy recovery.***

The day after we returned home from the hospital, we received an email from our friends and fellow Christians in Sweden. ***Our church application was accepted and approved! Smålands Baptistförsamling is now a legally recognized church*** with its own organization number. This is an answer to prayer and we can now apply for visas under the church's sponsorship. After we submit our visa applications, the processing time is out of our hands. We wish to be able to move overseas very soon. ***Please pray with us that Sweden would process and approve our applications by the first part of 2019.***

Lastly, we would like to praise the Lord and thank His people for their faithful prayers and support in 2018. By God's grace, we finished raising our support, had baby twins, and have better prepared ourselves for our transition to Sweden. We trust that you had a Merry Christmas, and we wish each of you a blessed New Year in 2019.

May God bless you!

DID YOU?
KNOW?

Though not an official tradition, many Swedes like to enjoy a Kebab pizza on New Year's Day.
