

VIAJESUS

REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you so much for your prayers and support for our family and ministry. We trust that your new year has been blessed of God and that there is a rekindled passion for our Lord Jesus Christ and His church. For us, the start of 2019 has come and gone in what seems like no time. **Concerning our daughter, Caelyn, she has recovered very well from her surgery and is doing much better as a result of it. We appreciate your prayers and concern for her over the past couple of months.** Looking back, we can truly praise the Lord for His guidance and protection throughout her entire ordeal.

As of the writing of this letter, our visa applications have been officially submitted to the Swedish migration board, or *migrationsverket*. Clicking the last button and submitting the final page of the application was a surreal moment. We have not been given any timeframe as to if and when our application will be approved and processed. Nevertheless, we are confident that we have supplied all the necessary information. **Please pray with us that the migration board would find no reason to delay our entrance into the country and that we would be granted a work permit conducive to life and ministry in Sweden.** Ideally, we are hoping to be granted a work visa that will permit us a minimum of two years in country, after which we can apply for an extension, or renewal.

Until our visas are approved, we will continue serving the Lord where we're at and preparing to minister abroad. **Coming up, I will have some opportunities to preach, including a missions conference in which I have been asked to speak on grace giving. Please pray the Lord would use me to edify and encourage His people through the truth of God's Word.**

Thank you and may God bless you!

Don & Beverly Sixt
Landon, Laban, Caelyn, Carson

DID YOU
KNOW?

Sweden is approximately 1000 miles long and 300 miles wide. Forests make up 63% of the total area, while lakes and rivers account for 9%.
