REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Greetings from Sweden! Thank you for praying for our family and ministry as we recently transitioned to Scandinavia. Our flights from Cincinnati to Gothenburg went smoothly, and our rental that we booked for the first month has been very accommodating. On our first day in the country, we went to the migration board for fingerprints and photos. In Sweden, they call this biometrics. We are currently waiting to receive the necessary paperwork back from the migration board so we can go to the tax office. There we will receive our "person number." This number basically registers us with the country; it is vital to have for major purchases of any kind (rent/mortgage, car insurance, etc.), and necessary for functional living in Sweden. **Please pray with us that this process goes speedily and that our person numbers are obtained soon.** Before we left for Sweden on July 30, we loaded a shipping container that is estimated to reach the port in Gothenburg around August 22. To receive our container without duty charges, it is required that we fill out a duty relief form; this form requires our person number. Thus the urgency of the situation. We trust that the Lord will provide what we need at the right time!

Our initial rental expires on August 30. We are currently looking around the area for places to reside long term. The options and availability are quite limited here, especially for a family of our size. However, what is available is easily discoverable online. But properties come and go quickly. In other words, the demand seems to be greater than the supply right now. **We greatly appreciate your prayers for us that the Lord would provide the right property, in the right place, at exactly the right time.** The Lord's will is what we truly desire. It is certain that we will be happiest when we are found right where He wants us, exactly when He wants us there.

Our church plant, Smålands Baptistförsamling, is primed and ready to begin meeting very soon. We are thankful for our friends here, our brothers and sisters in Christ, that have helped us so much the past several weeks. **Please pray that our ministry would glorify the Lord, bring edification to the saints, and be a true and strong witness to the communities around us.**

With love and thanks,
