REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you for your prayers and support for our family over the past couple of months. May and June ushered in some warm weather and beautiful sunshine here in the north. We had never been in Sweden during the springtime before, and it is a phenomenal season here in this country. Over the past couple of months, we have enjoyed moving into our new location, meeting some of our neighbors, and familiarizing ourselves with the local communities surrounding us. After moving overseas and moving four times within the past ten months in search of long-term lodging, this has provided a very welcome sense of stability to our family. **Ultimately, our rest is rooted in the person of Jesus Christ, and our stability is found in the Word of God; we also praise the Lord for supplying these temporal provisions for us while we seek to serve Him here on earth.**

Our six-year-old son, Landon, completed his first year of school in Sweden and our five-year-old son, Laban, will begin preschool in August.. It is our earnest hope that they, being younger and immersed in the Swedish language, will learn to speak Swedish rather quickly and without much difficulty. The adult education centers in our community are currently operating solely via online distance learning. This includes the national language school program called "Swedish for Immigrants" (SFI). I began learning the language through SFI months ago and was making steady progress before we moved to our new location. It was during our transition that the virus broke out and the schools closed. It appears that SFI will open up again when regular classes would normally resume in August. If this is not the case, we will look to hire a private tutor to teach us (preferably in our home), which is something we have been considering already as an additional supplement to SFI. **Please pray for our entire family as we endeavor to learn the Swedish language.**

By God's grace, we celebrated our tenth anniversary on May 15th. We praise the Lord for our marriage, for our family, and for our home. **Your partnership in the gospel ministry is greatly appreciated.**

In Christ,

Don & Beverly Sixt
