REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you for your prayers and support for our family and ministry. July and August seemed to go by very quickly. It was an enjoyable summer, and the first one that we spent entirely in Sweden. Now that the summer season is winding down and the fall time is fast approaching, there are several prayer requests that we have. Please pray for Landon and Laban as they begin school. Landon is in first grade and Laban is in a preschool class that is the equivalent of pre-k. They are both very bright, and we are prayerful and hopeful they they would both learn Swedish without much difficulty. I (Don) am also beginning language school again in September. The adult education centers transitioned to online-only for several months due to the coronavirus. But now they are reopening and offering courses that are a hybrid of in-class and online. We are also hopeful that Beverly will be able to begin relatively soon as well. This would require that our baby twins go to preschool for several hours during the week, a decision that is not necessarily easy to make, but one that we feel would be a good thing for our family. It would allow them to get a good head start on the language and provide the time for Beverly to go to language school. ***Please pray with us that the Lord would give us wisdom and grace as we serve Him in Sweden. Please pray that we would all learn the language well and in a timely manner.***

1 year in Sweden

August was a special month for our family. On August 31, Caelyn and Carson turned two years old. They are getting big! We were so excited to find out that we were having twins, and that same level of joy continues and grows everyday. We love them very much. They are very precious to us and we thank and praise the Lord for allowing us to have them. Additionally, August 1 marked the one year mark that we have been in Sweden. After twelve months and four moves, we are really beginning to feel more settled. ***Thank you for your prayers for us over the last year. We know that your prayers have been heard and that the Lord has sustained us.***

May the Lord bless you,

Don & Beverly Sixt
