REACHING SCANDINAVIA BY WAY OF JESUS

Dear Pastors, Churches, and Praying Friends,

Thank you for your prayers and support for our family and ministry. We are thankful that God has sustained us these past couple of months here in Sweden. September and October were productive months for us. I (Don) was able to complete another Swedish language course. My progress seems slow at times, but I am thankful for the strides that have been made. ***I know that many of you have been praying for our language skills to develop. Thank you! I believe this is something that simply takes time and dedication. It's coming along, slowly but surely!*** One advantage of learning a new language (especially a language that has a good Bible translation) is that it forces you to look more closely at why a particular word or phrase is translated the way that it is. Because of this, there have been a few times that I picked up on things even in the English Bible that I simply did not notice before. It has been interesting to say the least!

One of the challenges that we face here in Sweden is simply meeting people and striking up spiritual conversations with them. These sort of things are never easy, no matter where you are, but we have found it particularly difficult where we are at. Obviously, this will get easier as time goes on and we progress in the language, but we would simply ask that you ***pray with us as we seek to witness and evangelize.***

Our children are all doing well. Landon and Laban are in second grade and kindergarten, respectively. ***Please pray with us that our children would do well in school and that the Lord would give us wisdom and understanding as we go through this education process with them.*** Neither of them are speaking any Swedish yet. We are not certain how much of it they understand. We have good communication with their teachers, and we are all hopeful that their education will not be hindered. Your prayers are truly coveted in this regard.

Yours in Christ,

Don & Bevelry Sixt
Landon, Laban, Caelyn & Carson
