

Dear Pastors, churches, and praying friends,

Thank you for your prayers and support for our family and ministry. Our family is doing well. Over the past couple of months, we have traveled to several different churches and given updates to people that we have not seen in quite some time. Each meeting has been a blessing and an encouragement. It's no mystery that we have had some real challenges that we've had to face over the past year, especially with education. Please know that your words of love and acts of kindness have had a tremendous impact on us.

I (Don) will be traveling to Sweden July 17-30. During the two weeks that I am there, I am looking to visit a couple of different cities and ministries, visit with friends and neighbors, and hopefully have some conversations with people regarding our children's education. Please pray that the Lord would go before me and lead and direct every visit and every conversation. Beverly will be staying behind with our children. Although they would absolutely love to go, it is simply unable to happen this time around. Please pray for their protection while I am away. I look forward to giving an update on my trip after I return in August.

If you wish to donate toward this upcoming trip, you may easily do so through our church's giving page. Scanning this code will direct you to the right site. We greatly appreciate your consideration and generosity.

In May, our children finished all of their schooling for the 2022/2023 school year. We thank God for granting us the opportunity to return to the United States and allow our children to go through one full school year in their mother tongue and with the right support that they need. The progress that we have witnessed is substantial and very evident. Please pray that God would open a door for us to return to Sweden with a good and healthy educational plan in place.

We celebrated our thirteenth anniversary on May 15th. Looking back, all we can do is thank the Lord and acknowledge that we have been abundantly blessed.

May God's grace be with you.
